

Obtaining Your TTM Credentials

Background

A TTM account is created for each team when the team registers for a LCMHL website account using the league's online form. The coach and manager are both set up with TTM accounts based on the email specified in the form.

Unlike LCMHL Goalline accounts, TTM credentials are not emailed to the coach and manger. Instead, they must be obtained upon first access by utilizing the forgotten password functionality.

Instructions

Access D4's TTM login page by clicking [here](#). At the Login Page, click on the Don't know my Password link below the Password field

HEO/HEO Minor

To sign in to *myTTM*, please enter the email address and password assigned to your user account.

Note: If you do not receive the email within a few minutes, please ensure that you entered the correct email address for your account. Also, check your junk mail and email security settings to allow automailer@ttmwebservices.ca to send you email. If you've tried again and the email still has not been delivered it might mean that your email address is not registered in our system correctly. Please use the Help menu to contact an administrator for your organization.

Request Password to be Reset

Cancel

At the top of the screen, you'll receive notification that your password reset has been sent to your email address.

Within a short timeframe, you'll receive an email address with a link that will allow you to set your password. Afterward, you'll be able to log in normally from the TTM login page.
